

# Dealing with Issues for an Older Adult Is Like Catching Prairie Dogs

Just When You Think You've Caught Them Another One Pops  
Up

The same thing applies to caring for older relatives. When we finally address a problem, we think ...” there, that’s done”.

**Lo and behold another issue appears.**

*Why? Because aging is a process.....and so is Caregiving.*

Knowing where to turn is the key.  
Resources are out there **BUT WHERE?**
